NAR-ANON WORLD SERVICE CONFERENCE 2023

WSC Equalized Expenses

Equalized expenses for the Nar-Anon World Service Conference 2023 are calculated as follows:

The upcoming WSC 2023 will be a virtual conference. For all regions worldwide attending - the equalized expenses are a fixed amount that is charged to regions sending a delegate, alternate delegate or a representative. For WSC 2023, the amount will be \$500.00 (in U.S. dollars) for each person attending as a delegate, alternate delegate or representative. Payment (check or money order - U.S. dollars) can be made to Nar-Anon FGH, Inc., and sent to WSO - 23110 Crenshaw Blvd. Suite A, Torrance, CA 90505 or using our [PayPal](#) link or QR code.

Any member of Nar-Anon or Narateen may observe the conference (audio only), at no charge. Please inform the WSC Committee by April 3, 2023 if you wish to attend as an observer. There will be more information revealed later about the possibility of registering by online means.

The dates of the Conference are April 27 - May 2, 2023. Please note - an additional day has been added - due to concerns of conference business being rushed or not able to be completed.

Pre-conference orientation meeting is to be determined. The orientation will include a presentation and discussion on the Conference Standing Rules, Robert's Rules of Order, and Conference Procedures. The conference committee strongly recommends that all conference participants attend the introductory meeting.
